STORY

May and the manatee sit in the shallow water.

The sun is warm. The sea is blue.

There are no people in the bay.
May picks up a shell. It is pink and shiny.

She looks inside.

STORY

"A note!" says May.

"What is it?" asks the manatee.

"It's a map," says May.

"It says there is a legend. A magical treasure is deep in the sea!"

STORY

"A treasure?" says the manatee.

"A mystery?" says May.

"How exciting!" says the manatee,
clapping his fins.

"Let's go find it!" says May.

STORY

Together, they dive into the sea.
The map floats in the water.

They follow the arrows.
Left... right... straight!

Down, down, down... into the deep
